About the Daniel Cardillo Charitable Fund:

The Daniel Cardillo Charitable Fund has awarded more than \$125,000 in scholarships over the past decade. This year alone, DCCF awarded \$19,000 to a very gifted group of recipients, providing funding for advanced music and dance instruction, junior Maine Guide training, elite ski and tennis training, and more. Your participation in this tournament is crucial to helping us sustain our level of giving during these difficult economic times. Thanks so much for your support!

Mission Statement:

To inspire, support and encourage determined young people who are striving to achieve the highest of goals in the arts, athletics or non-traditional educational endeavors. As a true Olympian of the mind, body, and spirit, Daniel assisted others in realizing their own strengths and made everything seem possible.

To preserve and perpetuate Daniel's memory, we will elevate and celebrate those who have the courage to reach their dreams.
